ALBANY POWER LACROSSE CLUB
C/O 21 GLADWISH ROAD
DELMAR, NY 12054
www.albanypowerlacrosse.com

REGISTRATION UPDATE:
JUNE 28, 2009

Dear Team Contact:

Thank you for registering in the 2009 Albany Power Summer Shootout. We currently have 34 teams registered in the event, 24 at the U-18 level and 10 at the U-15 level. The following are some details regarding completion of the registration process.

Number of Games/Level of Competition: In Boys U-18, we will have two brackets: a championship bracket where a champion will be named and a round robin division where we do not keep win-loss records. Each team will be scheduled for five games over the two days of the event (other than those round robin participants who have arranged for a one day 3-4 game schedule). In developing the schedule, we will do our best to accommodate teams with the longest travel distances so that no more than one overnight will be required. We have lighted fields so we will be playing some games in the evening.

Tournament Fee: The \$950 tournament fee is due in full by July 1, 2009 or arrangements may be made to deliver the fee at the time of the event. Checks should be made out to the Albany Power Lacrosse Club.

Location/Directions: The tournament will be played at Rensselaer Polytechnic Institute (RPI) in historic Troy New York, the home of Uncle Sam. Detailed driving directions will be provided to all registered teams prior to the event.

Accommodations: Teams requiring overnight accommodations can follow this link for assistance in booking nearby hotel rooms <http://www.albany.org/Accommodations.aspx>. There are dozens of hotels within 15 minutes of RPI in Latham, Colonie, and Albany.

Schedule: A tentative schedule will be distributed by approximately July 15, 2009.

Officials/Rules: We utilize certified officials for all tournament games. Rules will be distributed with the tentative schedule by approximately July 15, 2009.

For More Information: Look for periodic updates at our web site or contact George Leveille at 518.439.6822 or by e-mail at gleveille@albanypowerlacrosse.com.
