Participation is by invitation only after the tryouts have been completed. This summer, the Albany Power Lacrosse club will offer an Elite team and developmental teams at each level.

The developmental program will provide the emerging lacrosse players with high quality coaching and excellent competition against elite programs throughout the Northeast. There will be one or two evening practices weekly at RPI, on their two turf fields and new grass fields, and 3-5 weekend tournaments.

Each team will consist of approximately 22 players with two coaches per team and additional coaching from other members of the Albany Power Staff. Each practice will be highly organized with a focus on individual skills and team concepts.
