The Albany Power Lacrosse Club is offering a developmental Lacrosse program for boys in the Capital Region. The U-18 teams in the Albany Power development program will consist of the areas top young lacrosse players. The developmental program will provide advanced instruction from top area coaches and includes participation in elite summer tournaments. Participation is by invitation only after the tryouts have been completed. This summer, the Albany Power Lacrosse club will offer both an Elite team and developmental team. Players will be assigned to the elite or developmental teams after try-outs.

The developmental program will provide the emerging lacrosse players with high quality coaching and excellent competition against elite programs throughout the Northeast. There will be one or two evening practices weekly at RPI, on their two turf fields and new grass fields, and 3-5 weekend tournaments.

Each team will consist of approximately 22 players with two coaches per team and additional coaching from other members of the Albany Power Staff. Each practice will be highly organized with a focus on individual skills and team concepts.

For more information and a complete calendar of events go to:
